Carla --

Thanks for getting back to me re possible Taiwan trip for Congressman Hanna. Unfortunately, next Monday doesn't work for a DC meeting, but if you and your colleagues are amenable we can arrange a conference call anytime from 11AM on with appropriate people from my office to discuss this trip. We just arranged one for Congressman Tom Reed that went very well, and are working with Congressmen Owens & Tonko on similar trip proposals. We can address the ethics issues, logistics, the trade related focus of the trip, etc. so your office can make an informed decision. Let me know if this works and I'll send out conference call-in info to you. Thanks again and have a good Thanksgiving.
